

The compact !

Innovative, Simple, Powerful

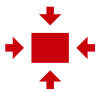

Ready to install

Discreet on your sales area

For all businesses

The CashMag Desktop is **the ultimate compact cash recycler**. It was designed to take **as little space as possible** and to be the most **discreet in all kinds of stores**.

The **DESKTOP** is **directly laid on your counter**, without works. It **compiles all the power of all CashMag cash recyclers** for your cash management **in a small size**.

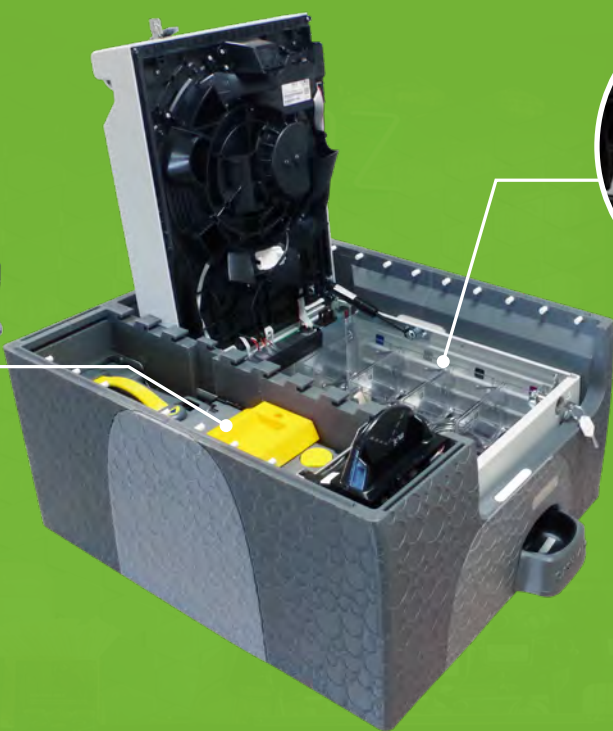

Our cash recycler is **instant compatible with all cashing softwares** run on Windows, **without any development**, thanks to CashMag CONNECT.

A «**NON STOP**» system allows the **DESKTOP** to **operate with a jammed recycler or hopper, or a completely broken down module with VCR**. Your cashings continue, you keep calm !
