

# HYBRID

The plug and play !

## Simple, fun, Instant

Single integration

Double integration

Intact marble

**CashMag HYBRID** is installed in **less than 1 hour**. Thanks to its innovative sealing system. **No more rearrangement works.**

**HYBRID** Has a **7 inch customer screen**, as well as **LED indications** on coin and note modules to **guide your customers** during transactions.

Our cash recycler is **instant compatible with all cashing softwares** under Windows, **without development** thanks to **CashMag CONNECT**.

A «**NON STOP**» system allows the HYBRID to **operate with a jammed recycler or hopper, or a completely broken down module with VCR**. Your cashings continue, you keep calm !
