

The easiest !

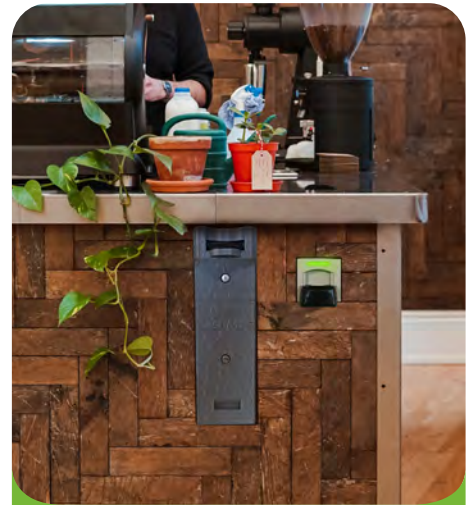

## Reliable, Fast, Compact

To fix

To lay

To embed

Thanks to **its modularity**, the **CashMag 1F Cash Recycler** is perfectly embedded into your sales line **without compromising its integrity !**

Its **3D printing chassis** has a **tamper-resistant system** and several key locking points for your safety and your employees'.

Our cash recycler is **instant compatible with all cashing softwares** run on Windows, **without any development**, thanks to CashMag CONNECT.

A «**NON STOP**» system allows the 1F to **operate with a jammed recycler or hopper, or a completely broken down module with VCR**. Your cashings continue, you keep calm !
