

The Substitute!

Reliable, Fast, Secure

Semi-integrated

Installation with stack-stand

For all stores

Thanks to **its compact and all-in-one design**, the **CashMag 5FC** brings you a full panel of integration possibilities into your sales line!

Its steel chassis, its multi-point lock and its many other securities automatically save your cash, at each transaction.

The 5FC is **shareable**. You therefore have the possibility of having **an automaton for several collection stations**.

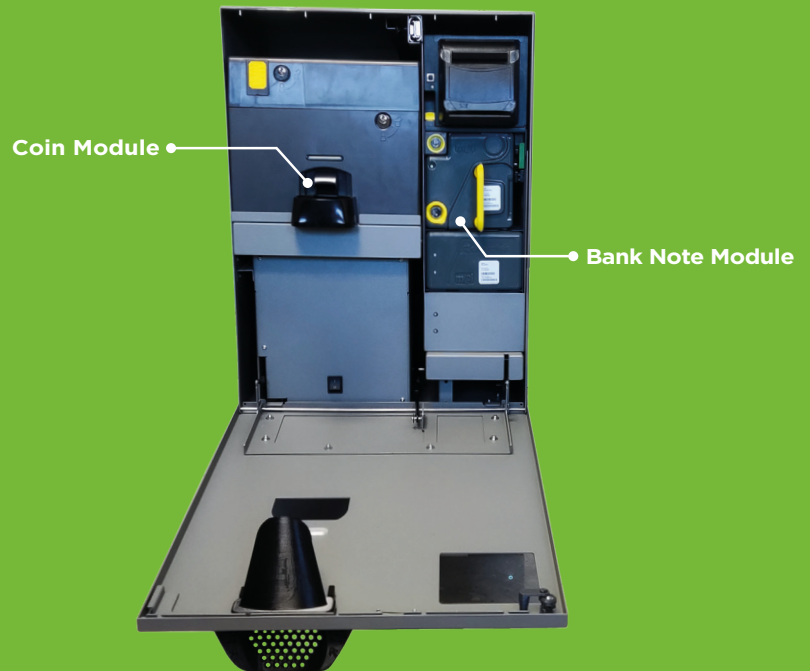

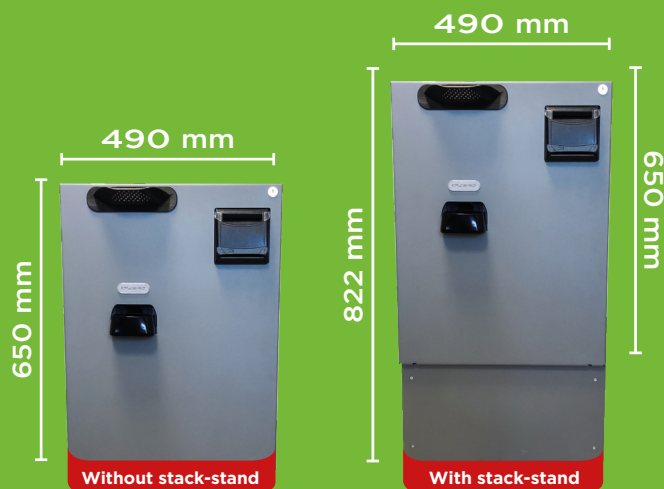

Our Cash Recycler is **immediately compatible with all payment software** for Windows, **with no need for development thanks to CashMag CONNECT**.

A «**NON STOP**» system allows the 5FC to **operate with a jammed recycler or hopper, or a completely broken down module with VCR**. Your cashings continue, you keep calm!
