

The secure !

Reliable, Secure, Embedded

Rear access

Full integration

Standard counter

All the **manipulations** are performed at the **rear**, therefore you and your staff are totally **safe**. With our solution, no need **to go around your counter**.

Steel chassis, multiple points of security and tamper-resistant make the CashMag 5R Cash Recycler the keystone of **your security and your cashing**.

The **CashMag 5R is fully embedded ! Preserve the integrity** of your shop and **spare your sales line**.

A «**NON STOP**» system allows the 5R to **operate with a jammed recycler or hopper, or a completely broken down module with VCR**. Your cashings continue, you keep calm !
