

The Unique !

Secure, Ultra-fast, All-In-One

Fits into ...

... all types...

... of shops!

The **ultra-compact and reinforced format** of the new **F46** cash recycler allows it to be installed **in all types of environments**. To pose or integrate **it will accompany you everywhere!**

Its **steel chassis** brings to your shop and your employees, **the security your cashing deserve**, at every single second!

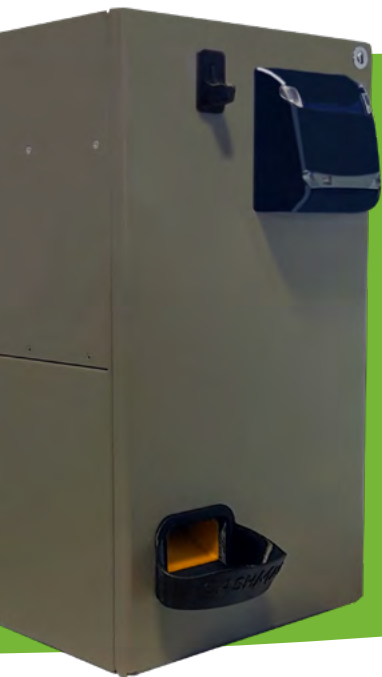

The **F46** is **shareable**. You therefore have the possibility of having **an automaton for several collection stations**.

Our Cash Recycler is **immediately compatible with all payment software** for Windows, **with no need for development thanks to CashMag CONNECT**.

A «**NON STOP**» system allows the F46 to **operate with a jammed recycler or hopper, or a completely broken down module with VCR**. Your cashings continue, you keep calm !

Simplify your daily life, gain speed

Cash management is a constant constraint. Counting, fund creation, recounting by the manager... Save time and simplify your everyday life with the F46. Everything is taken care of by the cash recycler !

For your besoins not those of others

Because not all convenience stores are alike. We have designed the F46 to meet the needs of stores with a more limited cash flow. Florists, hairdressers, veterinarians, etc. the Ad'Hoc solution to your cash management !

A team available for You

Our teams available throughout France bring you the responsiveness you need. We offer a maintenance service available 7 days a week. Remote interventions with direct control.
